Before receiving warranty service, LulzBot or its agents may require that you furnish proof of purchase details, respond to questions designed to assist with diagnosing potential issues and follow LulzBot's procedures for obtaining warranty service. Before submitting your LulzBot Product for warranty service you should maintain a separate backup copy of the contents of its storage media, remove all personal information that you want to protect and disable any security passwords.

LulzBot will ship a replacement LulzBot Product or part to you with installation instructions, if applicable, and any requirements for the return of the replaced LulzBot Product or part.

IF YOU FOLLOW THE INSTRUCTIONS, LULZBOT WILL CANCEL THE CREDIT CARD AUTHORIZATION FOR PRODUCT OR PART, SO YOU WILL ONLY BE CHARGED FOR THE SHIPPING TO AND FROM YOUR LOCATION. IF YOU FAIL TO RETURN THE REPLACED LULZBOT PRODUCT OR PART AS INSTRUCTED OR RETURN A REPLACED

PRODUCT OR PART THAT IS INELIGIBLE FOR SERVICE, LULZBOT WILL CHARGE YOUR CREDIT CARD FOR THE AUTHORIZED AMOUNT.

LulzBot will ship you free of charge a replacement LulzBot Product or part accompanied by instructions on installation, if applicable, and any requirements for the disposal of the replaced LulzBot Product or part.

(c) LulzBot is not responsible for any labor costs you incur relating to DIY parts service. Should you require further assistance, contact LulzBot at the telephone number listed in this Warranty.

(d) Notwithstanding any language in this limited warranty to the contrary, LulzBot shall have the right to discontinue the availability of any Product or components or replacement parts thereof, or to make design changes or improvements in the Products at any time and such discontinuance or change shall not constitute a breach of warranty, or result in liability for LulzBot under any legal theory whatsoever. LulzBot shall have no obligation to retrofit, change or improve Products purchased by Customer prior to the discontinuance or change.

LulzBot reserves the right to change the method by which LulzBot may provide warranty service to you, and your LulzBot Product's eligibility to receive a particular method of service. Service will be limited to the options available in the country where service is requested. Service options, parts availability and response times may vary.
